

Call for Applications

The Department of Economics of the University of Verona is pleased to organize the

Second Winter School on **Inequality and social Welfare Theory (IT2)**

The aim of the School is to provide junior and senior researchers with the opportunity to discuss issues concerning:

- **Inequality and welfare measurement**
- **Stochastic dominance**
- **Risk and social choice theory**
- **Risk sharing and applications**

Speakers:

- **Francesca Barigozzi** (University of Bologna)
"Health insurance and redistribution"
- **Luis Eeckhoudt** (Université de Mons and CORE Louvain-la-Neuve)
"New results on old topics: the case of multidimensional utility"
- **Christian Gollier** (GREMAQ-IDEI Toulouse)
"Risk sharing and collective risk taking"
- **Michel Le Breton** (GREMAQ-IDEI Toulouse)
"Inequality measurement: Hardy, Littlewood and Polya, Schur-convexity and majorization"
- **Alain Trannoy** (EHESS-IDEP-GREQAM Marseille)
"Risk and the foundations of a theory of distributive justice"
- **Claudio Zoli** (University of Bologna)
"An introduction to inequality measurement and stochastic dominance"

Admissions

The number of PHD students is limited to 20.

Admission is conditional on the presentation of a CV and a short motivation letter to be sent to: it_info@dse.univr.it not later than **December 11, 2005**.
